

To whom it may concern,

My name is Marie Selarque and I am the owner of Pro-Dog Hawaii.

As a trainer and behavior consultant I came across quite a few of labradoodles that were from Rutland Manor. They were ALL sound physically and mentally with superb temperament which is indicative of excellent breeding and the early training done by a respectable breeder. I wish breeders would take the same care as Rutland Manor in their choice of dogs and the prospective families, their dedication to the well being of not only their customers but also their puppies.

I have been impressed by the dogs that came from her kennel. I do wish the very best for Beverly Manners and hope that she will be able to provide many more families with great dogs for a long time.

Sincerely

Marie Selarque
