ADDITIONAL COMMENTS EITHER POSITIVE OR NEGATIVE AND THANK YOU FOR COMPLETING THIS FORM!

There are no words to express how grateful we are that Boomer came into our lives. I have 3 young children and they absolutely ADORE him (as do all my friends and neighbors).

Boomer is the most beautiful Labradoodle I've ever seen! He's about 63 pounds and is the gentlest giant - still so playful at 7 years old.

We brought another puppy home, a small Havanese, who we love also (I wanted another Labradoodle, but my husband said we should try a small dog since space is a bit tight) -- but if I had to get another dog - would DEFINITELY be another Labradoodle (and my husband agrees with me!) - and DEFINITELY another Rutland dog. I live in New York and understand there are now several breeders in the states that have Rutland dogs. Sorry to hear about a smear campaign - didn't hear anything about that. I can only go by my own experience and Boomer is, without a doubt, the BEST dog anyone could ask for. He is so beautiful, everyone calls him the "Brad Pitt" of dogs :). Cannot thank you enough!
