ADDITIONAL COMMENTS EITHER POSITIVE OR NEGATIVE AND THANK YOU FOR COMPLETING THIS FORM!

We received Harry at 10 1/2 months after he was returned by his family who had been posted overseas. They had done an excellent job of his basic obedience training.

Harry has been a delight to own and is loved by all who met him. The ONLY thing is a tendency to be destructive, which has slowed down in recent years, he has an extremely sharp perfect scissor bite. Not long after he arrived he picked up Mark's brand new runner, dropped it immediately when asked, but had bitten out a perfect semi circle.....

This year for the first time he has been shedding a little bit of hair. Whether its his age or the weird weather we don't know, it is still less than any dog we've owned before.
