

*For Families in Australia - Registration*

## *Registration in Australia*

*Aussie new puppy families are reminded that by law all puppies over the age of 3 months must be registered with your local council.*

*Your puppy has been microchipped and registered with Central Animal Records and a copy of the certificate and transfer form will be in your puppy's envelope on arrival or pick up.*

*A copy of your puppy's microchipping & desexing certificate must be presented to ensure the registration process is completed.*

*You should contact your own local council for the registration form.*
